Uses	Designed to remove lime, plaster and cement residues from brick and mosaic tiles, glazed stone ware and marble.
Content	5 Ltrs
Country of Origin	UAE

Cement Scale Remover is a powerful concrete and masonry cleaner. It is a mineral acid based concentrated preparation with a pungent smell. Cement Scale Remover is corrosive and should be handled carefully.

Why Cement Scale Remover ?

Designed to remove lime, plaster and cement residues from brick and mosaic tiles, glazed stone ware and marble.

How to use Cement Scale Remover ?

Pour Cement Scale Remover directly on the floor and spread it with a scrubbing brush on the spots to be removed, leave it to act for 4-5 mins, scrub with a single disk machine with a hard brush, repeat the process on stubborn deposits, rinse immediately and wash the surface with all purpose detergent for the removal of any residual acid.
